*This ballot is part of a hypothetical case created for the December 7, 2012 Election Law Program War Game in Neenah, WI. The scenario derives from teaching and scholarship conducted at William & Mary Law School with the assistance of Edward Foley of Moritz College of Law of the Ohio State University. *Candidates listed are fictional.* The two attorneys arguing each side of this hypothetical case are doing so as part of the exercise and do not actually represent clients in this hypothetical matter. True to their commitment to professional norms and to the spirit of this exercise, for purposes of this war game, the attorneys will argue zealously as if the fictional parties were in fact real clients.
